

LETTER FROM PRESIDENT

Dear EWI Ladies!

I do not know about you, but I am a creature of habit. I have the same morning routine; I wake up at the same time and I have the same type of coffee with the exact amount of sweetener and creamer every morning. In the last couple of months, my daily habit, as well as everything that was 'regular' was thrown in chaos. But, after the initial shock worn off, I realized that I needed to reestablish those routines. Some of my routines would remain the same, some routines would be very different, especially those around my work day. Psychologists say that being intentional with your daily routines during times like these are even more important. Moments like drinking a cup of morning coffee, lighting a candle, or doing your skincare routine need to be kept and savored. Small acts of self-love can be so helpful to our mental health.

Another important routine we all have to rethink is our connections. There is something valuable in remembering that we are not in it alone. We must make it a point to connect with others and that includes our EWI connections. Research shows that social connections (even virtually) improve overall well-being and help build confidence and help strengthen our immune system. We must intentionally build in moments of connection in our day. This brings me to our EWI connections... As of this writing, we have decided to meet virtually through ZOOM in the month of June. As each week passes, we will continue to monitor the situation and make additional decisions for our July gathering. The world is evolving and EWI must evolve as well. What that will look like, I am not sure but I do know we will continue to offer opportunities to connect with each other. We are such a wonderfully diverse group of leaders and we still have much to learn from each other. I welcome your input as we continue to move forward and evolve.

Mark your calendars for JUNE 3rd for our June ZOOM Monthly Meeting. Our speaker will be Lenora Keas the Chief Operating Officer at Del Mar College, more information in this newsletter. And by the way, we will also have a very special guest on the ZOOM call, our **Corporate EWI President, Felicia Senter!!** What a treat! I hope to see you on June 3rd.
