October/November 2024

Here's what has happened in the last month and what's to come!

Welcome back to your Corpus Christi Chapter of Executive Women International (EWI) Connect Newsletter!

It's been a few beats since our last newsletter, and we're thrilled to reconnect with each of you as we revive this resource for our vibrant network.

As we step forward together, this newsletter will serve as a bridge to highlight the remarkable women in our chapter, share professional development opportunities, and keep you informed of upcoming events and initiatives that help us achieve our mission of empowering women, enhancing leadership skills, and fostering collaboration.

What can you do to promote our chapter and help us better communicate with one another and potential members?

Glad you asked...

- Add us on Facebook at EWI - Corpus Christi.
- Send ideas and updates for the newsletter to Kathleen Weisenberger.
- Take photos! Snap pics of chapter meetings, events, you or your firm doing something special. Then, send them to Kathleen Weisenberger or Gracie Martin to share in the newsletter or on the website!

Recap of Monthly Events

Officer Installation - October 1

The Corpus Christi chapter of Executive Women International gathered at the Corpus Christi Country Club on October 2nd for the annual Installation of Officers.

The event included a heartfelt recognition of the outgoing Board for their dedication and leadership over the past year. Following this, the incoming Board members were officially installed, ready to lead the chapter into a new year of success and growth.

Attendees enjoyed a lovely lunch and the opportunity to connect and share fellowship with one another, celebrating the spirit of community and professional development that defines EWI.

Reading Rally - October 12

Nearly 50 young ladies joined our Chapter volunteers and YWCA staff for this year's EWI Reading Rally at YWCA Corpus Christi.

The young ladies, ages 10-12, heard from a girl in middle school who published her own book, from the Robstown Robotics team, and, from Corpus Christi's own Leslie Adame, Kiii news anchor.

They loaded up on as many books as they could carry and took home amazing goody bags filled with personal hygiene items, pens, pencils, hats, journals, and all kinds of other amazing items donated by our chapter.

Thank you, to Reading Rally Chair Mitra Khan for her hard work!! And, thanks to all of you for donating time, books, and gifts to make Reading Rally a great success!

November Chapter Luncheon - November 6

Jonda Watson joined us during our monthly luncheon at American Bank to speak about sound baths. Our members learned what a sound bath is and how it can help reduce stress. We enjoyed a 30-minute sound bath to help us relax, recharge and let go of our stresses!

A Letter from President Cassy Fleming

Dearest EWI:

As we head into the holiday season and start the new 2024-2025 EWI fiscal year, I want to say how thankful I am for you. Our chapter is truly amazing. When looking through our roster, you will see servant leadership, talents galore and women who bless those within their family, their network and in our community. Thank you for being apart of EWI and making our chapter so special.

This year, your board will be hard at work bringing us together, not only through our networking lunches, but also through volunteer opportunities and socials. We want to know you, who you are as a professional, and, who you are as a woman!

If you would like to become an active board member, we still need a Vice President. Please let me know if you are interested.

In closing, I want to wish you a very Happy Thanksgiving. I am super thankful for you and this Corpus Christi EWI Chapter.

Thank you for reading!
